ALLIES & ORGANIZATIONS

COMBAT STRATEGY Battlefield Disruptor / Sneak Attacker
Whip with allies: You only get Sneak Attack if an ally is within 5 feet of your target. Use the 10-foot reach of your whip to strike the enemy your ally is fighting.

Safety Gap: By standing 10 feet away, you are out of the enemy's standard melee reach. Hit them with the whip, then use your 35-foot movement to back away even further.

Acrobatic Defense: If you are forced into a tight spot, use your Acrobatics Expertise (+4) to Disengage or Hide as your main action

Tactical Advice: Use your investigation (+3) during combat to look for environmental hazards to use against your enemy or for your own advantage.
