ALLIES & ORGANIZATIONS

Thomasine is the ultimate "early warning system." Her job is to ensure the party is never surprised by extra-planar threats.

"Favored Enemy" Edge: Before entering any cave or ruined mine, use your Favored Enemy trait to look for tracks or signs of Elementals or Aberrations. Knowledge is your best weapon.

High-Ground Sniper: You have 30 feet of movement and a 100-foot range on your Blowgun. Use your movement to climb a rock or find cover _every single turn.

Rapier Pivot: If a fast enemy reaches you, don't panic. Your Rapier deals (1d8+3) damage; that is enough to stop most attackers in their tracks. Use it to fend them off, then move back to range.

Tactical Advice: You are the most "stable" character. Stay 20 feet behind the front line and focus your fire on enemy casters or archers to keep pressure off the front line.
